

Final Virtual Conference

Agenda

Date: 30 November 2020

Duration: 31/2 hours

Tool: ZOOM PLATFORM

TIME (EET)

10:00-10:30

INTRODUCTORY SESSION

Dr. Alkistis Parpoura,
 Region of Western Greece (RWG)

10:00-10:05

Introduction

Dr. Alkistis Parpoura,
 RWG Project Manager

10:05-10:10

Welcome speech

Mrs. Maria Salma,
 Vice-Governor Regional Unit of Aetolocarnania, RWG

10:10-10:15

Welcome speech

Mr. Theodoros Vasilopoulos,
 Vice-Governor for Agricultural Economics, RWG

10:15-10:25

ARIEL Storytelling video

Marche Region, Italy

10:25-10:30

ARIEL in a nutshell

Dr. Fabio Grati
 ARIEL Lead Partner (LP), Institute for Biological Resources & Marine Biotechnologies (IRBIM), National Research Council (NRC), Italy

10:30-12:10

SESSION 1 - PILOT ACTIONS

Transnational Innovation Brokering: ARIEL solutions for daily innovation needs of SSF & AQ operators

Dr. Sanja Matić-Skoko,
 Institute of Oceanography & Fisheries (IOR), Croatia

Reducing depredation and by-catch in SSF

10:30-10:40

Testing pingers to reduce/prevent dolphin damages: Dolphin Dissuasor Devices (DDD)

Dr. Fabio Grati
 LP, IRBIM NRC, Italy

10:40-10:50

Evaluation of the "Rainbow LED-light network" used by the Thyrrenian Sea fishing fleet to minimize bycatch

Dr. Luca Vecchione
 University of Palermo Region of Sicily, Italy

10:50-10:55

Q&A

Improvements in Fishing Gear Technologies

10:55-11:00

Testing trammel nets for cuttlefish (*Sepia officinalis*) provided with a technical device aimed at reducing bycatch

Mr. Dario Vrdoljak,
 IOR, Croatia

11:00-11:05

Testing selective trammel nets for common sole (*Solea solea*) having a 40 mm and 42 mm mesh size (stretched) aimed at reducing bycatch

Dr. Sanja Matić-Skoko,
 IOR, Croatia

11:05-11:10

Testing innovative trammel nets specifically designed for the caramote prawn (*Melicertus kerathurus*)

Dr Zdravko Ikica,
 University of Montenegro, Institute of Marine Biology (IBMK), Montenegro

11:10-11:15

Q&A

Marketing & Diversification of SSF

11:15-11:25

Fishing tourism business plan - a case study in Astakos, Greece

Dr. Angelos Lontakis
 Hellenic Centre for Marine Research (HCMR), Greece

11:25-11:35

VirMa: a virtual marketplace for improving small-scale fisheries access to the market

Dr. Luca Bolognini,
 CNR IRBIM Ancona, Italy

11:35-11:40

Q&A

Testing innovative AQ applications

11:40-11:45

Experimental farming of the sea sponge *Aplysina aerophoba*

Dr. Zdravko Ikica,
 University of Montenegro, Institute of Marine Biology (IBMK), Montenegro

11:45-11:55

Acoustic pinger pilot studies aimed at reducing the impact of gilthead seabream *Sparus aurata* on mussel farming

Mr. Igor Talijančić,
 IOR, Croatia

11:55-12:05

Installation of AKVA underwater cameras to increase the efficiency of feeding procedures

Ms. Mairi Maniopolou
 HCMR, Greece

12:05-12:10

Q&A

12:10-12:15

COFFEE BREAK

12:15-13:05

SESSION 2 - INNOVATION GOVERNANCE

SSF and AQ Policy & Technical Recommendations

Dr. Erich van Ham,
 ARIEL Communication Officer RWG

12:15-12:25

Policy and technical recommendations for innovation speed-up in the ADRION SSF and AQ sectors

Ms. Francesca Perretta,
 Marche Region - Italy

12:25-12:35

SSF and AQ in the new programming period: a focus on the European and Maritime & Fisheries Fund

Mr. Nikos Anagnopoloulos
 CEO Advanced Planning & Consulting S.A., Greece

12:35-12:45

EXTRA SME's - INTERREG EUROPE: Improving policies to boost SME competitiveness in EU Regions with an aquaculture business ecosystem

Dr. Vasileios Kokkinos
 Postdoctoral Researcher, University of Patras, RWG

12:45-13:05

Interventions and General Discussion on Innovation Governance & Additional Opportunities for Transnational Cooperation

Facilitator: Dr. Celia Vassilopoulou
 Research Director HCMR, Greece

13:05-13:15

Conclusions & Key Messages

Dr. Fabio Grati (LP) &
 Dr. Alkistis Parpoura (RWG)

13:15

Conference Closure
